Mysterious Vault of the Lost Wizard Tyr

written by CresthavenRPG Guru | January 5, 2015

For this weeks Map Monday, I give you Mysterious Vault of the Lost Wizard Tyr:

Possible adventure hook: The wizard has died, and most of his collection has escaped, in large part thanks to his rust monster eating bars and door hinges. Those that have escaped are creating trouble nearby, however some have stayed because they have no place to go, and have banded together.
