This is a list of monsters you will encounter when you play through the starter adventure, Ruins of Castle Mistamere.

> Many years ago, a wizard named Gygar, a man of great & mysterious power, ruled this area of the realms from his mighty Castle Mistamere, located at the foot of the mountains to the north of Melvaunt. Gygar died after a long and peaceful rule, but no successor was named. Over the years, the unclaimed castle fell into ruins.
