Cresthaven just got a lot more magical. We're thrilled to unveil a new line of wondrous magic items to enhance your adventures:

- **Candles:** Need a quick elemental ally or a healing aura? Light the way with enchanted candles!
- **Dusts:** Vanish from sight, speak with beasts, or strike fear with a sprinkle of magical dust.
- **Incense:** Breathe easy and heal faster with restorative incense, or unlock the truth with a dose of honesty-enhancing smoke.

- **Stones:** Channel the elements, speak any tongue, or teleport to familiar lands with the power of enchanted stones.
- **Ointments:** Grant yourself swiftness, breathe underwater, or resist searing flames with a touch of magical ointment.
