Special Attacks

The doppelganger is able to assume the shape of any humanoid creature between four and eight feet high. The doppelganger chooses a victim, duplicates his form, and then attempts to kill the original and assume his place. The doppelganger is able to use ESP and can imitate its victim with 90% accuracy, even duplicating the victim's clothing and equipment. If unsuccessful in taking its victim's place, the doppelganger attacks, relying on the ensuing confusion to make it indistinguishable from its victim.

Special Defense

A doppelganger is immune to sleep and charm spells
